

Asbestos Awareness

(STS - Inhouse or UKATA Accredited)

The objectives of the course are to:

Provide an awareness and develop the knowledge amongst employees as regards the hazards and risks posed by asbestos containing materials (ACMs). The course further gives an overview of the legislative measures in place to permit employees to safeguard themselves and others affected by work activities.

Who should attend:

Supervisors and trades personnel, including trainees such as but not limited to: demolition workers, construction workers, general maintenance staff, electricians, plumbers, gas fitters, painters and decorators, joiners, plasterers, roofers, heating and ventilation engineers, telecommunication engineers, fire and burglar alarm installers, computer installers, architects, building surveyors, shopfitters and other such professionals.

Delegates: Max Number of delegates is 15 on a ½ day course.

This Course can be done onsite at your premises or you can come to us at our training centre in paisley.

Course Duration – ½ Day Course or x2 courses on 1 day.

Certification – STS Certification or UKATA Certification
